

SPECIALIST APPS

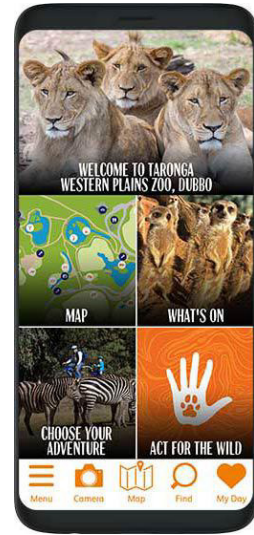

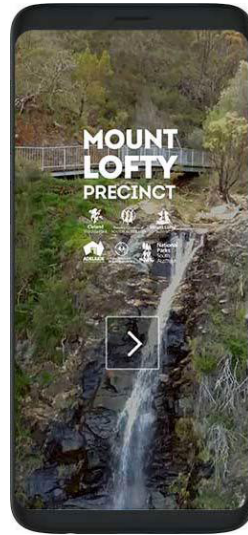

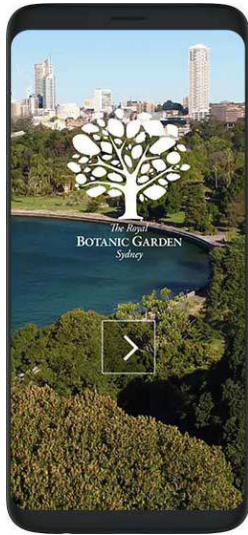

Specialist Apps is at the forefront of developing visitor engagement Apps for Local Councils and Shires, Zoos, Aquariums, Botanic Gardens, Museums, Schools, Universities and Public /Tourist Attractions across Australia, Asia and Europe.

Specialist Apps has worked closely with major public attractions and local councils to develop a comprehensive suite of tools for engaging visitors via their mobile phones, tailored specifically to the needs of today's travellers.

We believe there is a perfect opportunity to leverage our know-how and experience to deliver a world class solution for The Southern Downs Regional Council.

Specialist Apps has recently developed Apps of a similar nature for The Royal Botanic Gardens Sydney, Paronella Park, Currumbin Wildlife Sanctuary, Cairns Skyrail, and The City of South Melbourne that all have similar components which can be leveraged directly, providing The Southern Downs Regional Council with development cost savings and fast tracking a path to success.

Some of our most recent clients locally and globally include:

- The City of Port Adelaide Enfield, South Australia
- The City of Port Phillip, Victoria
- Murchison GeoRegion, Western Australia
- Mid Murray Council, South Australia
- Currumbin Wildlife Sanctuary, Queensland
